Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Those who take a step into the not too distant future find time travel is close at hand. From the now unfolding unlimited possibilities that have been kept dormant, enter the first practical step in its rightful grandeur. As the scientist applies a bold unification theory of electromagnetism, its success depends on unleashing the capacity that each of us carries. Devin, a machinist working on the shop floor, he is also brought into the enormity of what is awaiting us as he too holds no chains to the bounds we had become accustomed to accepting. Emerging from the Era of Entrenchment comes the achievements and actions that had been blocked by those who hid regression behind the mask of progress. Germany and Florida, Poland, Russia and beyond, the control of the past is superseded by practice in principle.
