Lulu.com, United Kingdom, 2012. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.Partially inspired by the song ,Tell Me Your Plans by The Shirts . Avery has written a number of comedy skits and serious darker plays for radio. Tell Me Your Plans , Meeting Hannah and From The Verge Of Innocence are adaptations of these radio plays, which combined form an interesting trilogy: Tell Me Your Plans is a gripping tale of a successful woman s journey though life from early teens until her forties. The story charts her material success whilst at the same time showing the emotional cost. Meeting Hannah is a story that delves into the darker side of rekindling relationships that have lain dormant for years using social networks. From The Verge Of Innocence generates a feelgood factor for the reader. The common theme running through these stories is the danger involved in re-visiting an old relationship. Sometimes humourous, sometimes painful but always stimulating, Avery has managed to create an emotional roller coaster of a ride which ultimately turns out to be a wonderful read.
