Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Kindle Publishing Package - 4 Books for the Price of 2! Want a discounted price on FOUR different eBooks? Here s what you ll get with this three book package: Get Pregnant Fast Guide: The Best Recipes for getting a bun in the OvenIf you are all ready to jump on board the baby bandwagon, then why wait any more to start the baby making process? However getting conceived isnt always that easy as we wish and, therefore,you may sometimes have to resort to a number of fertility boosting techniques or tips to give your body especially your reproductive and endocrine systems a prick so as to prop up our fertility level. So, how should we maneuver through this tricky situation? First, you can check out all the techniques and ground plan that are at your disposal in this guide and then choose those that you think would work out for you. Baby Sleep Training 101: Sleeping Little Angels Putting the Baby to Sleep guideA concern that affects most new and experienced parents is whether their infant is getting enough sleep or not. Besides this, most parents also have concerns on whether their child is getting the right quality of sleep or not. This book aims to address all the concerns of parents regarding baby sleep. The first section of the book gives a brief introduction about the basic terms associated with baby sleep, introducing certain facts and myths about infant sleep. Like in adults, lack of sleep has a significant impact on the mental and physical well-being of child. However, unlike adults, an infant is developing and this development process is also impacted...
