

When I Grow Up?

By B Rush

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. When I Grow Up is meant for children and adults to read together. The book is designed to help children learn to read and develop early career aspirations. It s designed to help children understand various job occupations and the responsibilities that accompany them in a way that is fun and creative. There s also space at the end of the book that provides an opportunity for children to think of, draw, and describe other occupations they could hold as adults - outside of those covered in the book. This encourages imagination and creativity while getting them to think about their future.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.
