This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

BLACK FATHERHOOD: RECONNECTING WITH OUR LEGACY

Pure Quality Publishing, United States, 2005. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book and accompanying documentary illustrates despite mounds of derogatory statistics regarding Black men in their roles as fathers, there is a strong legacy of Black men (from slavery to the present) who were/are very proactive fathers. Filmmaker/Author Dana Ross utilizes her own family history, research and interviews with hundreds of Black fathers, Educators and Historians such as Dr. Jawanza Kunjufu and Dr. Ira Berlin, to explore Black men in their roles as fathers from their time of enslavement to the present. In order to reconnect with this legacy, the author unmask the many extraneous circumstances Black fathers face to clearly explore and define what can be done to overcome these circumstances to keep the legacy alive and positive for future generations of Black fathers. Both the book and documentary lifts the voices of Black fathers and gives an in depth look into their hearts and souls as they speak on parenting, education, spirituality, the judicial system and racism.
