

Up in Space: Asteroids, Comets and Meteors (QED Reader)

By Rosalind Mist

QED PUBLISHING, United Kingdom, 2013. Paperback. Book Condition: New. 220 x 148 mm. Language: English . Brand New Book. What is the Asteroid Belt? Why do comets have a tail? What is the difference between a meteor and a meteorite? Learn the answers to these questions and many more fascinating facts about asteroids, comets and meteors in this stunning book from QED. Through straightforward sentence structure and enlightening images, readers with a wide range of reading ability can enjoy these titles. This Level 2 series has less repetition and there is more text than Level 1, making them slightly more challenging. However, the varied, simple sentence structure results in a rewarding reading experience. These exciting titles will help to build the confidence of young readers whilst they enjoy learning about the solar system and all the planets and stars that are out there!.
