About The Book The History of Latin Christianity, to the Pontificate of Nicholas V. , which is here presented, was published in 1854-56. It covers the religious or ecclesiastical history of Western Europe from the fall of paganism to the pontificate of Nicholas V. , a period of eleven centuries, corresponding practically with what are commonly called the Middle Ages, and is written from the point of view of a large-minded Anglican who is not seeking to maintain any thesis, but simply to set forth a veracious account of an important phase of history.
