Nobody likes this word, not even banks. Banks like it when others are in debt to them. Anyway, if you are in debt, it is not the end of the world. It only means that you are in a bad financial position and that is something that you need to change. If we take a look at the debt statistics, over 70 of the students in USA are in debt with average sum of \$30.000 per student. Now this is a huge percent and very high sum of money. Part of the students will struggle for a very, very long time to get out of debt and have a life with financial freedom. But some of them will do it much quicker, much easier. Why? Why some students get out of debt faster than others? Why some people are more afraid of debt than others? These are some of the questions that you can expect to find answers to in the next couple of pages. Every single person is different and unique. Every person has different skills, advantages and weaknesses that they develop over time. A lot of people spent years researching, trying to find a formula on how to become financially free that will work on everyone, but they couldn t find it. Because, I am going to mention it again, everyone...
