Recently, however, extremists disrupted the peace with mortal combat in the streets. Then, mysterious thieves stole the Orb of Midnight - an evil artifact hidden for ages - from its guardians. Certainly this event can only serve to increase the violence between the strongest religions. Concurrently, rumors that a second source of Thygasha's renowned Silver Sand had been discovered caused would-be treasure seekers to foray into the exceedingly dangerous Khydoban Desert. Only a few lucky souls returned, whispering tales of vast caverns filled with the valuable Sand. What's more, several of these survivors financed return expeditions with handfuls of the expensive material. Now, dozens of expeditions have braved the rigors of the wasteland, but none have returned. Prince Shyja's scout troops have disappeared and an ancient burial crypt has suddenly reappeared. Your players' personalities will come alive as they solve these mysteries, battle new foes and more. This is a world supplement and free-flowing adventure setting with hooks for characters of any motivation including chivalry, good, villainy, greed, power, fame, knowledge, evil, adventure and more. Characters are provided...
