The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Atlantic Press. Paperback. Book Condition: new. BRAND NEW, The Riddlers, Steven Braund, Steven Braund, A menacing sequence of drawings is accompanied by a hand-drawn poetic text which seems to explore the awakening from a dream. A work of graphic literature. "I wanted to return to the simple pleasure of pencil drawing. The story developed on its own as the drawings appeared; suggesting what eventually seemed a fully formed whole (to me anyway). Im always amazed at how different people see different things when they view/read the same work. In this case, Im happy with the feeling of ambiguity, as the piece is meant to function in a poetic way. It attempts to present something about the interdependent relationship of good and evil, and of our deep state of unconsciousness; we are asleep. Beyond that, I would rather let it speak for itself, otherwise I would have just written a description of the idea instead." -- Steve Braund.
