Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Knowitall also known as Smart Alec Alex is a 5th grader at J. Koogle Elementary. Alex thinks she is the smartest kid in the school, but in realty she is a Smart Alec, thinking she is what her last name spells: Ms. Know-it-all. With her snappy come backs, and her I m always right attitude and favorite quote I don t understand. Ms. Knowitall is what she s NOT. In Smart Alec Alex - The 5th Grade Schedule Change - word count 9,151, Alex is now faced with doing things like the Junior High School kids. Changing classes, Yuck! As Alex rotates from class to class with her three favorite buddies, they all find themselves amazingly amused by the different personalities of each teacher. Alex s friends are hilarious characters with unique habits. Allow me to introduce you to Candice Nocol; she is the worrywart, but loves fashion, Calvin Clueless, who repeats everything twice, but appears to be a numskull and Sissy Sillington, who is never serious, she laughs at everything. This is the first chapter book of Smart Alec-Alex s chapter series. She will take you and your friends on a hilarious ride as you slip into her day-to-day capers as a Smart Alec 5th Grader; she is Alexandria P. Knowitall.
