SENSING JESUS: LIFE AND MINISTRY AS A HUMAN BEING

Crossway, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "C. S. Lewis wrote that friendship is born when one man says to another, 'What! You too? I thought that no one but myself . . . ' Many pastors will find a new friend in this remarkable book. What makes this book both approachable and powerful is its honesty--that rare treasure we pastors are sometimes afraid to make our own. Zack Eswine gives us a front row seat to his heart. In seeing him, we see ourselves. But far better, we also see Jesus in his all-sufficiency for us. To everyone who wants to serve the Lord with a heart set free from pretense, I commend Sensing Jesus." --Raymond C. Ortlund Jr., Lead Pastor, Immanuel Church, Nashville, Tennessee "This is one of the finest books on being a pastor written in this generation. I plan to use Sensing Jesus as required read for our pastoral theology students here at Covenant Seminary. The book is heart-wrenchingly honest about Zack's own hopes and dreams and about the challenges of dealing with the praise that is heaped on a gifted young communicator of God's Word. It is this rare honesty that makes the book a must read for anyone called to a life of ministry. Along with this painful and necessary openness, Zack has written not only with a practical helpfulness but also with a kindness of spirit about the follies, sins, and troubles that anyone engaged in serving others is constantly encountering. His careful exposition of Scripture is interwoven with unforgettable stories that bind the points he makes to the hearts of his readers. This will be an outstanding addition to the library of every pastor and teacher, indeed of anyone committed to ministry." --Jerram...
