LORD OF THE FLIES (EDUCATION ED)

DOWNLOAD

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Lord of the Flies (Education ed), William Golding, First published in 1954, William Golding's debut novel, now a classic, is a stark story of survival, probing the depths of human nature, and what happens when civilization collapses. As dystopian stories like The Hunger Games and Battle Royale surge in popularity, this haunting tale of a group of young boys stranded on a desert island still captivates schoolchildren around the world, raising timeless and profound questions about how easily society can slip into chaos and savagery when rules and order have been abandoned. This new educational edition provides supplementary material, chapter summaries, discussion questions and additional teaching resources to help guide students and support teachers throughout the text. When a plane crashes on a remote island, a group of schoolboys are the sole survivors. As the reality of their situation sets in, the boys attempt to establish control and their world gradually descends into brutal savagery. As Catcher in the Rye became the classic coming-of-age tale, Lord of the Flies is the classic story of innocence lost. A teacher himself, Golding clearly understood how to interest children with a gripping story and strong, sympathetic characters. The novel serves as a catalyst for thought-provoking discussion and analysis of universal issues, not only concerning the capabilities of humans for good and evil and the fragility of moral inhibition, but beyond. The boys' struggle to find a way of existing in a community with no fixed boundaries invites readers to evaluate the concepts involved in social and political constructs and moral frameworks. Symbolism is strong throughout, revealing both the boys' capacity for empathy and hope, as well as illuminating the darkest corners of the human spirit. Ideas of community, leadership, and the rule of law...
