Excerpt: . . . ask that a certain portion of their grain, or live stock, or fuel should be carried free in consideration of buying a ticket. Admit the plea, and there ceases to be a check on the business. A portion of the community will respect the rights of carriers; the other portion will look upon the evasion of these rights as indicative of special shrewdness. Other things conspire to render a full collection of the revenue that ought to accrue from extra baggage difficult. As a rule this traffic does not reach the depot until the train is upon the point of starting. The train can not be held. The agent is busy looking after general wants, so that he is very likely able to examine but a portion of the baggage that is presented to be checked, or his examination is hurried and incomplete. Many...
