KHUMS (THE ISLAMIC TAX)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Since khums is an issue with which a Shiah Muslim is faced at least once in a year, the need for a simple and, at the same time, comprehensive book on this subject has been felt in our community since a long time. And therefore, when this booklet was published in 1984 in Vancouver, it was, al-hamdu lil-lah, very well received. These additions will give the reader a brief look into the history of khums. Obviously, the size and purpose of the booklet did not allow me to deal with this aspect of khums comprehensively. This book is one of the many Islamic publications distributed by Ahlulbait Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbait Organization (is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shia School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization s purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought!
