Reviews

Basically no phrases to describe. I was able to comprehend everything out of this published ebook. You can expect to like the way the author compose this ebook.

(Mrs. Novella Will)

LEADINGSHIP: EXPLORING THE ESSENCE OF LEADERSHIP DYNAMICS

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Leadingship: Exploring the Essence of Leadership Dynamics, Arnold Timmerman, This book bridges the gap between spiritual self-inquiry and practical personal and professional leadership dynamics. Rather than giving formularized answers and concepts, it raises questions which allow the reader to open up to a new leadership paradigm that reaches beyond our old beliefs and structures. It brings leadership back to its bare essence: non-personal inspiration through authenticity and passion. "Leadingship" is a leadership reflection of Life: ever changing, non-personal, all-inclusive and hugely inspirational. This book is its introduction and a inviting springboard for personal, professional, academic and spiritual exploration.
