

Delivering Welfare (2nd Revised edition)

Filesize: 3.81 MB

Reviews

I just started off reading this article ebook. It is actually written in basic words and not confusing. I am just very happy to let you know that this is the best ebook I actually have read through inside my individual daily life and can be the finest ebook for possibly.

(Dayne Johns)

DELIVERING WELFARE (2ND REVISED EDITION)

Open University Press. Paperback. Book Condition: new. BRAND NEW, Delivering Welfare (2nd Revised edition), Tony Butcher, Acclaim for the first edition of Delivering Welfare: ".well exceeds its brief to provide an authoritative guide and essential work of reference." (Political Studies) "The important thing about this book is that it brings together, in a careful and scholarly way, information on the changing delivery system for welfare in Britain." (Public Administration) ".a very useful introductory text which should win the gratitude of many students." (Teaching Public Administration) ".a clear and comprehensive description of the new organizational structure of British social welfare, and an even-handed appraisal of its achievements and shortcomings." (Community Care) ".a useful and timely summary of changing arrangements for the delivery of health, housing, education, social security and the personal social services." (Health Service Journal) Since the early 1980s, there has been a series of radical changes in the arrangements for the delivery of the major social services. Under the Thatcher and Major Governments, the traditional role of local authorities as front line delivery agencies of the welfare state was challenged. Privatization, the search for efficiency, and the customer orientation became important features of the system of welfare delivery. The Blair Government has continued many of these initiatives, as well as putting its own stamp on the arrangements for the delivery of welfare. Delivering Welfare provides an up-to-date and critical survey of the role of central government, local authorities, the NHS and other agencies responsible for delivering the social services, and the directions that welfare delivery has taken since the early 1980s. This new edition has been completely revised and updated to take full account of the impact of the Blair Government. At a time when the issues of welfare delivery and the quality of public services are so high...
