Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Not illustrated. 1902 Excerpt: .and the Board comes to their assistance by a grant for the last payment. So the candidate for the ministry makes all possible exertions to provide for himself, and then the Board of Education provides moderate help, so that the young man s efforts may not prove fruitless, and also to prevent, as far as possible, the necessity of too much manual labor during term time. We have found this last to be a sore evil. The work of the class-room cannot, in ordinary cases, be properly attended to by the student who is harassed by pecuniary anxieties and is spending many hours of precious time in the business of earning money. We venture to call attention to a recent case by way of illustration. Here is a student highly recommended as a man of much promise. He must be classed as a special, because just before going to college he was working night and day more or less, and so had no chance to prepare for entrance examinations. He writes: I may try those examinations before the year is over; but it will depend largely upon how I get along, physically, as I am working more than I am studying, in order to come out whole at the end of the year. Here is a youth attempting, under the pressure of pecuniary need, to carry, it would appear, no less than fortyeight hours of manual labor a week while attempting to get his education in...
