Check out the great reviews below! Just Like Her Father is the first in a series of six books, charting the life of Jean Ridgeway. Jean is an abused child who survives. A victim to start with, she worked through her issues. Her past haunted her for many years. Time is a great healer. Pain and suffering can give you inner strength, or break you. Each book in the series covers a stage in Jeans life, one girls story. This book covers her childhood years. Once you have read Jeans story, you will understand more about courage and cowardice. Often hilarious, sometimes heart-wrenching, always touching. You will be rooting for Jean Ridgeway, as she battles her domestic abuser, and her own fears with the help of her friends. This wonderful childhood tale spans the UK and the 1960s racial hotbed of Singapore, and is made all the more engaging by the fact that it is based on a true story. The tale is the first in a series of six novels, charting Jeans colourful life. Marie Jensen has delivered plenty already, and the remaining volumes in the saga promise much more.
