Signal Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Canary Islands: A Cultural History, Peter Stone, The seven volcanic Canary Islands that bask in the Atlantic off shore from the north-west African coast have long had legendary connotations. To the Greeks they were the Gardens of the Hesperides, blessed with a perennial spring-like climate, while the Carthaginians christened them the 'Purple Isles' on account of the rich dye material they obtained there. Island fauna vary from the desert-like lizards of Lanzarote to the rich bird life of La Palma. UNIQUE LOCAL CULTURE Local fiestas abound and traditional dance and music exhibitions are...
